

# crochet earrings - page 1

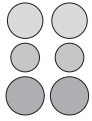

You will need the following supplies:

spool of yarn

2 doughnut beads

6 beads

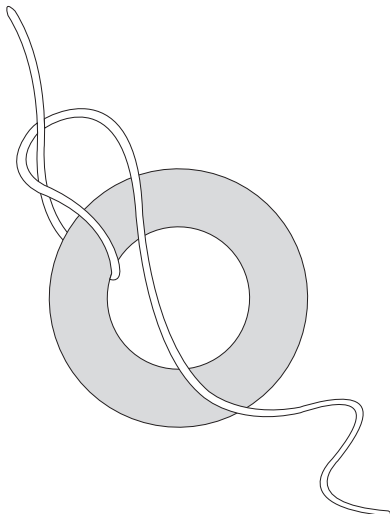

2 ear wires

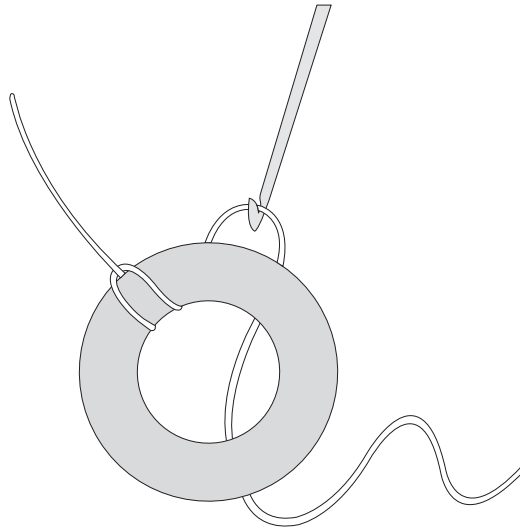

2 jump rings

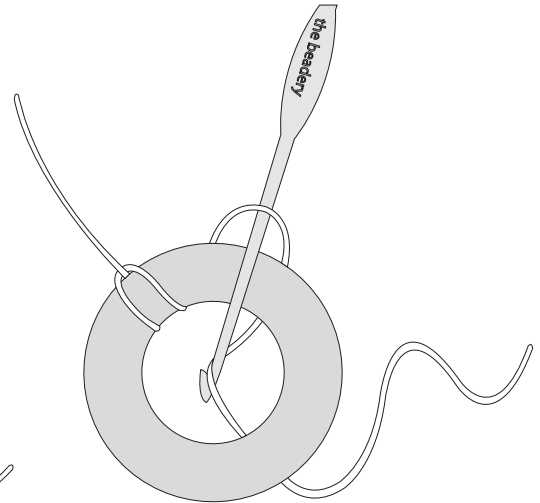

crochet needle

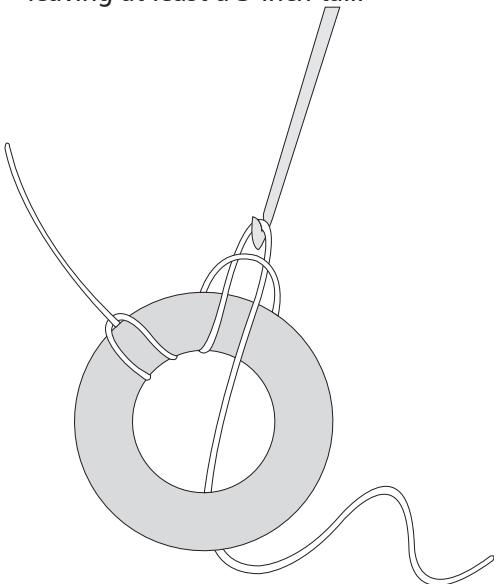

**Step 1:** Crochet straight from the spool of yarn (this is an easy way to make sure you have enough yarn). Anchor the tail to the doughnut bead leaving at least a 3-inch tail.

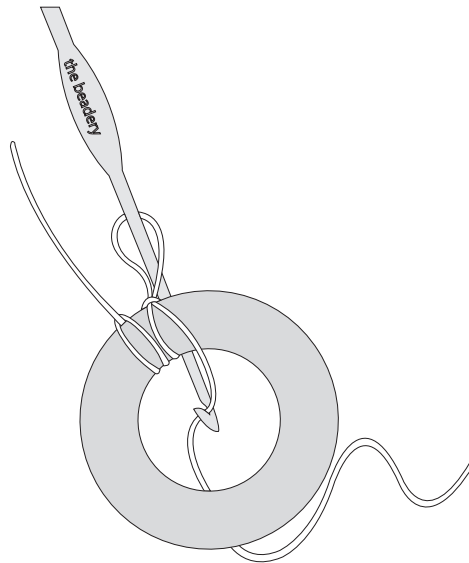

**Step 2:** Make a loop with the yarn BEHIND the doughnut bead.

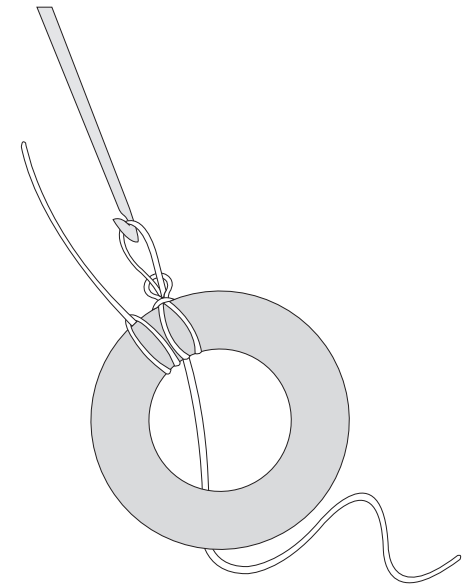

**Step 3:** Put your crochet needle through the loop IN FRONT of the doughnut bead and hook the yarn from the spool...

**Step 4:** ...and pull the yarn up and through the loop. Tighten this first crochet knot in exchange for a new loop.

**Step 5:** This time you will put your crochet needle through the loop and BEHIND the doughnut bead and hook the yarn from the spool...

**Step 6:** ...and pull the yarn up and through the loop. Tighten the second crochet knot in exchange for a new loop.
